

Interview Questions

Front Door These questions get you into the conversation.	Hallway Brings the conversation to a deeper level.	Basement Brings you to the purpose of the interview - ask what you really came for.
	<p>Ask the interviewee about something they said that really struck you and relate it back to yourself</p>	
	<p>These questions are hard to prepare, they require you listen to the interviewee.</p>
