Working Title	AVID 'S...

	Script: Before AVID, I felt so confused, disorganized and lost. My classes overwhelmed me.
-----------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------

	Script: I was on information overload and didn't know how to deal with it all.
-----------------------------------------------------------------------------------	--------------------------------------------------------------------------------

	Script: School felt like an endless string of books, math problems, confusing concepts and assignments.
-----------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------

	Script: And then I took my first AVID class... In tutorial, I got help with my class work from other AVID students. I learned how to ask good questions and find solutions that made sense to me.
------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	Script: I learned how to take Cornell Notes in class so that I could remember what we covered. Suddenly it felt like a light bulb was turned on.
-------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------

	Script: It felt like I could actually hit the target, and that I could actually be a pretty good student. I actually like school, and I'm feeling more successful.
-------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------

	Script: I will be the first in my family to graduate from high school. And now I have hopes of getting into college.
-------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------

	Script: AVID has made a big difference for me, and AVID can help you too. Think about signing up for AVID. It could rock your world!!
